Our meeting on the 8th inst., composed of the neighbors and friends of Gen. Taylor, drawn together for the purpose of ratifying the nomination of Gen. There was no abuse of candidates, no unguarded expressions, and no appeal to the passions. Never before did I attend a meeting so complete in accomplishing its purpose, so perfectly satisfactory to all engaged in it. The citizens of East Baton Rouge and vicinity participating in the meeting feel under obligations to your city for the services of Messrs. Benjamin and Peyton. In the humiliating confession, we feel our cheeks tingle and our fingers contract on the pen. The man—so fostered—so beloved—so sustained, has given the lie to all the attributes of truth, and perfidiously betrayed and abandoned to the enemy, a generous and noble abandoned to the enemy, a generous and noble only say to others that it is in my opinion, the best constituency. Sometimes the inner coat of the bowels protrudes at every evacuation, forming what is called Prolapsus, or falling of the bowels; this is the effect of long continued irritation and weakness of that or gan. In some instances the patient experiences ner yous pains, which are indiscribable, and known on-ly to the sufferer, which commence immediately at-ter an evacuation, and continue from thirty minutes to several hours; these sensations are very annoying and sometimes very distressing. This disease, when of long continuance, is attended by pain and weakness in the back, irritation of the kidneys and bladthe chest, and unnatural fulness of the abdominal viscera, accompanied with palpitation of the heart and oppression.
